Dear Mr. Hands:

**NOVA GAS TRANSMISSION LTD. (NGTL)  
TOLLS, TARIFF & PROCEDURES COMMITTEE (TTP)  
RESOLUTION T2000-01(c)  
BUSINESS PROCESS CHANGE: INDUSTRY REPORTING CALENDAR**

---

The above noted resolution, attached to your letter dated July 19, 2001, relating to the implementation of a new industry calendar to be implemented for January 2003, is accepted as a filing for information. The resolution confirmed that the TTP agreed to the implementation of the calendar that would enable NGTL to bill for a month's demand and commodity charges on the same invoice. The EUB also notes that the implementation of the calendar is conditional on TransCanada having the required Information Systems available. It is understood that Resolution T2000-01(c) was supported by the TTP at its July 10, 2001 meeting.

NGTL is directed to distribute the filing, including the resolution, and this letter to its customers. The EUB's letter has been provided in electronic format to facilitate the distribution to customers.

Yours truly,
