Dear Mr. Hands:

**NOVA GAS TRANSMISSION LTD. (NGTL)  
TOLLS, TARIFF & PROCEDURES COMMITTEE (TTP)  
RESOLUTION F2000-01(f)  
BUSINESS PROCESS CHANGE: NOMINATIONS AT CONNECTING PIPELINE  
OPERATOR LOCATIONS**

---

The above noted resolution, attached to your letter dated March 27, 2002, relating to the nomination process at Connecting Pipeline Operator (CPO) locations, is accepted as a filing for information.

The resolution confirms that customers will be required to provide nominations at all CPO locations where the customer wishes to conduct business. The EUB notes that this resolution supersedes the CPO nomination process previously supported by the TTP in Resolution T2000-01. The EUB also notes that the implementation of Resolution F2000-01(f) is proposed for mid 2003, conditional on the availability of the required Information Systems. It is understood that Resolution F2000-01(f) was unopposed by the TTP at its March 12, 2002, meeting.

NGTL is directed to distribute the filing, including the resolution, and this letter to its customers. The EUB's letter has been provided in electronic format to facilitate the distribution to customers.

Yours truly,
