Dear Mr. Hands:

**NOVA GAS TRANSMISSION LTD. (NGTL)
TOLLS, TARIFF & PROCEDURES COMMITTEE (TTP)
RESOLUTION T2000-14(a) – ALTERNATE ACCESS PILOT EXTENSION**

The above noted resolution, attached to your letter dated March 26, 2001, relating to the extension of the Alternate Access Pilot is accepted as a filing for information.

The resolution confirmed that NGTL would continue the existing Alternate Access Pilot until a comprehensive industry review of the Alberta System services and rate design is completed. The resolution also addressed the continuation of the use of a billing adjustment ('pooled approach') for Firm Transportation applicable to export delivery point contract demand quantities only. It is understood that Resolution T2000-14(a) was supported by the TTP at its March 13, 2001 meeting.

NGTL is directed to distribute the filing, including the resolution, and this letter to its customers. The EUB's letter has been provided in electronic format to facilitate the distribution to customers.

Yours truly,
