Attention: Mr. Robert D. Heggie,
Executive Manager, Utilities Branch

Dear Sirs:

**Re: NOVA Gas Transmission Ltd. (NGTL)
Rate Schedule Facility Connection Service (FCS) – Correction**

It has come to NGTL's attention that there is an error in Section 3.5 of Attachment 1 to Rate Schedule FCS. Specifically, the metric volumes listed in points (a) and (b) on pages 14 and 15 are incorrect. The Imperial volumes listed in this section are correct. NGTL is amending Attachment 1 to Rate Schedule FCS to correct the error. This correction has no impact on existing contracts.

NGTL attaches for information a blackline version of Attachment 1 to Rate Schedule FCS illustrating the correction to Section 3.5 as well as a clean version of Attachment 1 to Rate Schedule FCS incorporating the correction.

NGTL is notifying its shippers and members of the Tolls, Tariff, Facilities and Procedures Committee of the availability of this filing on TransCanada's Alberta System website at:
http://www.transcanada.com/Alberta/regulatory_info/active_rates_services_filings.htm.

All notices and communications regarding this matter should be directed to Carolyn Shaw by e-mail at carolyn_shaw@transcanada.com and alberta_system@transcanada.com, or by phone at 920-7172.

Yours truly,

NOVA Gas Transmission Ltd.

A wholly owned subsidiary of TransCanada PipeLines Limited

Céline Bélanger
Vice President, Regulatory Services
