Dear Ms. Belanger:

**NOVA GAS TRANSMISSION LTD. (NGTL)
GAS TRANSPORTATION TARIFF (TARIFF)
UPDATED TABLE OF RATES, TOLLS AND CHARGES**

NGTL's filing of an update to the above-noted Tariff, Attachment 1 to your letter dated January 21, 2004, is accepted as a filing for information. It is noted that Attachment 1 incorporates five new receipt points as follows:

- Amisk South, with an FT-R Demand rate of \$246.52/10³m³ per month and an IT-R rate of \$9.31/ 10³m³
- Basset Lake, with an FT-R Demand rate of \$274.84/10³m³ per month and an IT-R rate of \$10.38/ 10³m³
- Ksituan River East #2, with an FT-R Demand rate of \$274.84/10³m³ per month and an IT-R rate of \$10.38/ 10³m³
- Marsh Head Creek West #2, with an FT-R Demand rate of \$150.21/10³m³ per month and an IT-R rate of \$5.68/ 10³m³
- Pakan Lake, with an FT-R Demand rate of \$220.85/10³m³ per month and an IT-R rate of \$8.34/ 10³m³

The EUB also notes NGTL's submission that the rates were determined in accordance with the receipt-point pricing methodology that the EUB approved in Decisions 2000-6 and 2003-051.

It is understood that NGTL has provided notice of the updated Tariff to its customers via the TransCanada Alberta System website. NGTL is directed to advise customers of the acceptance of the updated Tariff in similar fashion.

Yours truly,
