Calgary, Alberta T2P 5H1

Dear Ms. Belanger:

**NOVA GAS TRANSMISSION LTD. (NGTL)
TOLLS, TARIFF AND PROCEDURES COMMITTEE (TTP)
FACILITIES LIAISON COMMITTEE (FLC)
REVISED PROCEDURES – INFORMATION FILING**

NGTL's notification of the revised procedures (TTFP Procedures) for the TTP and FLC, effective January 1, 2004, is accepted as a filing for information. It is noted that the TTFP Procedures were supported by the TTP and FLC on November 12, 2003, through an unopposed vote on Resolution T2002-01.

The EUB notes that the TTP has been renamed to the Tolls, Tariff, Facilities and Procedures Committee (TTFP), and that the FLC has been renamed and is now a standing committee of the TTFP. The EUB also notes that certain changes to the TTFP Procedures have been made as a result of the EUB's revised Negotiated Settlement Guidelines.

It is understood that NGTL has provided notice of the revised procedures to its customers and to members of the TTP and FLC via the TransCanada Alberta System website. NGTL is directed to advise customers and members of the TTFP of the acceptance of the revised procedures in similar fashion.

Yours truly,
