Attention: Mr. Wade Vienneau, Executive Director - Utilities

Dear Sir:

**Re: NOVA Gas Transmission Ltd. (“NGTL”)
Tolls, Tariff, Facilities and Procedures Committee (“TTFP”)
Resolution T2008-03 – STFT Bid Revisions**

NGTL hereby applies to the Alberta Utilities Commission (“AUC”) under Part 4 of the *Gas Utilities Act*, R.S.A. 2000, c. G-5, as amended, for approval of amendments to its Tariff related to Appendix A, Terms and Conditions Respecting Access to Transportation Service at Export Delivery Points.

The tariff amendments will allow customers the ability to revise or cancel STFT bids as long as the revisions are submitted prior to the bid deadline. Currently, STFT bids are irrevocable at the time they are submitted. The change would provide TransCanada and its customers increased ability to manage administrative errors.

On June 10, 2008, the TTFP supported the proposed amendment by unopposed Resolution T2008-03. NGTL is notifying its shippers and members of the TTFP of the availability of this filing on TransCanada’s Alberta System website at:

http://www.transcanada.com/Alberta/regulatory_info/2008.htm.

TTFP Resolution T2008-03, a black-lined copy of relevant pages of the Tariff illustrating the proposed amendments, and a clean copy of the relevant sections of the Tariff incorporating the amendments are attached for the AUC’s information.

NGTL respectfully requests that the AUC render a decision on the proposed amendments by August 22, 2008 to allow for implementation effective September 1, 2008.

TTFP Resolution T2008-03 – STFT Bid Revisions

Tolls, Tariff, Facilities & Procedures Committee

Resolution

Issue T2008-03: STFT Bid Revisions

Resolution

The Tolls, Tariff, Facilities and Procedures Committee (TTFP) agrees to amendments to article 5.0 of Appendix A of the Tariff to allow for customers to made revisions to STFT bids prior to bid deadlines.

Background

Under the terms and conditions of article 5.0 of Appendix A of the NGTL tariff, customers submit a bid for STFT capacity which is “irrevocable” once received by TransCanada. Over the last couple years several customers have made clerical errors or submitted duplicate bids that were unintended, but which must be treated as irrevocable under the current rules.

TransCanada raised the issue with the TTFP to consider allowing customers the ability to revise or cancel STFT bids, as long as the revisions are submitted prior to the bid deadline. This would provide TransCanada and customers increased ability to manage administrative errors.

Next Steps

NGTL will file the adopted Resolution and Tariff language with the AUC for approval. Subject to AUC approval, implementation is targeted for September 1, 2008.

5.5.2 STFT Daily Open Season Bid Process

If Company posts STFT Capacity pursuant to subparagraph 5.5.1, prospective customers may bid for such STFT Capacity on the day that the STFT Capacity is posted or deemed to be re-posted as follows:

- (a) Prospective customers shall submit a bid for such available STFT Capacity in the form of a completed and unedited Schedule of Service attached as Exhibit “A” to the STFT Service Agreement;
- (b) The requested term of Service, as established by the requested service commencement date (the “Service Commencement Date”) and requested Service Termination Date, each set out on the Schedule of Service, shall be a minimum term of one week and a maximum of one year less one day and shall end on the last day of a Month;
- (c) All bids must be received by Company by 11:00 hours CCT on the day the STFT Capacity is posted or deemed re-posted and shall be irrevocable at that time;
- (d) No deposit is required to accompany the prospective customer’s bid;

5.5.3 Awarding of Capacity for STFT Daily Open Season

Subject to subparagraph 5.5.4, STFT Capacity shall be awarded each day to the prospective customers whose bids are accepted by Company as follows:

 - (ii) second, by the Service Commencement Date (where the bid with the earlier Service Commencement Date shall have the higher priority).
- (b) Subject to subparagraph 5.5.3(d), Company shall award STFT Capacity to the bids in sequential order, based on the priority established pursuant to

subparagraph 5.5.3(a), until all the bids have been processed or until all STFT Capacity has been awarded;

- (c) Subject to subparagraph 5.5.3(d), if two or more bids have the same priority and the STFT Capacity is not sufficient to provide the total maximum STFT Capacity, then the STFT Capacity shall be awarded to such bids on a pro rata basis based on the maximum STFT Capacity of each bid;
- (d) If the STFT Capacity to be awarded to a bid as determined by Company in either subparagraph 5.5.3(b) or paragraph 5.5.3(c) is less than the minimum STFT Capacity as set out in such Schedule of Service, that bid shall be deemed to be rejected by Company and no STFT Capacity shall be awarded to such bid. The remaining STFT Capacity shall continue to be awarded sequentially to the remaining bids based on the priority established pursuant to subparagraph 5.5.3(a), until all the bids have been processed or until all STFT Capacity has been awarded; and
- (e) Company shall be deemed to have accepted the bids of prospective customers when Company awards STFT Capacity to such prospective customers. Company shall notify such prospective customers who have been awarded STFT Capacity within 2 Banking Days from the date such Existing Capacity is posted or deemed re-posted.
