Nrg Notice Subscription

A valid NrG account is required to sign up for NrG notices. Your company's administrator or the TransCanada Call Centre (nominations@transcanada.com) can assist with getting you set up with an ID and password. Once you have your NrG ID and password please follow the steps below to active your subscription:

- 1. Log in at www.nrghighway.com.
- 2. Select "NGTL" from the pipeline selection box.

3. Choose "Notice Preferences" from the Customer Activities section.

- 4. Ensure your personal information is correct and updated as required. The email you provide is where the notifications will be delivered so it is imperative that this information is accurate.
- 5. Use the check boxes to select the notice types to wish to receive. The most common NGTL notices are Capacity Constraint, Other and Tolerance Change.
